

Koya Ryujin Line timetable (Nankai Railway Namba Station–Ryujin Onsen)

Kumano Hongu Taisha Shrine and Ryujin Onsen

Thanks to a change in the connecting stop, access to both the Mount Koya and Kumano World Heritage areas has been shortened by more than two hours for even more convenience. Sit back and enjoy a route bus tour of these World Heritage sites. The hidden Ryuji Onsen is known as one of Japan's top three beauty hot springs.

The Koya Ryujin Line has become a scheduled service. Please visit the Nankai Rinkan Bus Company homepage or one of our offices for details.
